★★★★★ ⓘ

Superb this is one of the best
fine catering restaurants in
Long Island. Great customer
service

★★★★★ ⓘ

Picked up my first Catering order from this
place. Everything exceeded my expectations.
Food and presentation were phenomenal.
Portions were generous. Staff were pleasant
and accommodating. You could tell they are
trying to go above and beyond for their
customers. Thank you! Can't wait to place my
next catering order.

★★★★★ ⓘ

On Christmas I had another FABULOUS catering
experience. I have picky eaters in my "circle"
but everyone raved about the food. I ordered 3
ft of eggplant and 3 ft of Buffalo chicken. Both
were stuffed FULL with meat/eggplant and
DELICIOUS! All of my special needs (this and
that on the side) were taken care of. Even on a
busy holiday the staff was pleasant! I have lived
in this area for many years and used to cater
from a well known deli in the area but Broadway
Gourmet is FAR SUPERIOR!

“Do not pass go, do not collect \$200, go directly to Broadway Catering for your next event. You will not be disappointed!”

When planning for our wedding last year, the best and easiest decision BY FAR was to hire Broadway Gourmet Caterers, as their attention to detail, constant communication and impeccable service all made for an unforgettable wedding at one of the most picturesque vineyards on Long Island. Shannon from Broadway Gourmet listened intently to our requests and transformed the space into a truly stunning setting, replete with delicious, fresh food (my family loved the Raw Bar during cocktail hour), with no stone unturned between her and her support staff on site. When planning for a lifetime event like a wedding, you don't want to sweat any details so you and your significant other can focus on the act of matrimony being as loving and beautiful as possible. Like they say, "happy wife, happy life", my wife and our families and guests all raved about the quality of food and level of service provided by Broadway. Do not pass go, do not collect \$200, go directly to Broadway Catering for your next event, you will not be disappointed! [Read Less](#) ▲
